ABOUT ME

When did you start attending the Christian Academy of Lawrenceburg?

I started attending the Christian Academy of Lawrenceburg in August, 2013, my high school freshman year.

Why did your parents choose the Christian Academy of Lawrenceburg?

My parents chose the Christian Academy of Lawrenceburg because they wanted to provide me with a great conservative Christian education at a school that also has high academic standards. CAL also has small class sizes which improves learning capabilities.

What co-curricular or athletic events are you involved with, both in and out of school?

I am a member of Beta Club, the CAL NASP Archery Team (4 years) and Volleyball Team (2 years). Also, I am a member of Hope Community Church where I assist in the children's classes and during Vacation Bible School. I enjoy playing tennis and have memberships in the US Tennis Association and Fellowship of Christian Athletes.

HONORS AND AWARDS

Have you earned any honors or awards such as academic honors, honor rolls, athletic awards, fine arts honors, etc.?

Youth Salute Award; Kentucky Academic Achievement Award, Youth Leader Representative; The Stock Market Game; ACSI Creative Writing Award; Archery Consistency Award.

COLLEGE AND BEYOND

What colleges have you applied to and which ones have you been accepted to thus far?

I recently applied to Pensacola Christian College.

What do you plan to study in college? What are your long-term career goals?

I plan on studying in the medical field and pursuing a degree with an emphasis on pre-med studies. My long-term goals are to complete my college degree and to continue to work toward becoming a pediatrician which has been a lifelong dream for me.

CHRISTIAN ACADEMY OF LAWRENCEBURG INFLUENCE

What are your favorite subjects at the Christian Academy of Lawrenceburg and why?

My favorite subjects at the Christian Academy of Lawrenceburg are science and math. These are my favorites because I enjoy experimenting and problem solving.

Who are some of your favorite Christian Academy of Lawrenceburg teachers and why?

Two of my favorite teachers at CAL are Mrs. Judy Slyh and Mr. J.B. because they have been very helpful and understanding to me by explaining difficult questions and teaching problem solving. Mr. J.B also tells us life stories and makes math classes much more interesting. Mrs. Slyh has also had an impact on my life during my whole time at CAL when she taught Bible and art class in addition to science classes. She is very helpful in explaining and takes the time to answer my questions.

How has the Christian Academy of Lawrenceburg impacted you or made a difference in your life? Do you feel that the Christian Academy of Lawrenceburg has prepared you for life after graduation?

The Christian Academy of Lawrenceburg has made a big impact on my life. The teaching of Bible has helped give me develop a better understanding of God's Holy Word and how we should live every day. The teachers have prepared me well for subjects that I will be taking at college in the future. CAL means a lot to me in many different ways but it has rendered me an excellent education through the instruction of great teachers that I consider to be great role models.
